BALD SPOT CARTOON FACE

INT. BATHROOM - DAY

GREG (late 20s) is in the shower. He's LATHERED. He SQUIRTS SHAMPOO in his hand and runs it through his hair.

BALD SPOT

Ump. Ooff. Hey.

Greg FREEZES. Then POKES his head out.

GREG

Hello? Rebecca?

He SHRUGS it off and RINSES shampoo out of his hair.

BALD SPOT

Whoa. Eeffp. Hey.

This time Greg SHUTS the water OFF, pauses, and RIPS open the shower curtain certain he will see somebody standing there.

GREG

(slight panic)

Rebecca?! Hey?!

Greg grabs a towel and throws it over his head to dry his hair.

BALD SPOT

Again? Why?

Greg pauses.

He plops the towel on his head.

BALD SPOT

Hey!

In quick succession, Greg touches the back of his head with the towel and removes it. Every time Greg removes the towel from his head, the voice stops. He repeats this three to four times.

He finally grabs a HANDHELD MIRROR to see the top and back of his head.

As he holds the mirror up, he sees a FACE where his BALD SPOT used to be.

BALD SPOT

Heyyyyy!

Greg DROPS the handheld mirror and STARES into the wall mirror for a second.

He grabs the handheld mirror off the floor. And this time SLOWLY raises it back over his head.

He stares at the BALD-SPOT-TURNED-FACE.

The face has a big cheesy smile.

BALD SPOT

We finally meet face to face. Well, not face to face, we have the same face. Kind of.

GREG

Who are you?

BALD SPOT

I'm your bald spot dude!

GREG

What?

BALD SPOT

I'm your bald spot! I was born three years ago, the day you took that job at Boricle.

GREG

What?

BALD SPOT

At first it was my right eye. And then my right ear. For months, all I could do was see and hear. But then your job started laying people off. And within weeks I got my left eye, left ear, a nose and top lip. Life started to get good. Well, good for me.

GREG

What?

BALD SPOT

Is that all you can say? "what what what". Oh my god you're giving ME a bald spot.

GREG
(to himself)
I knew I was losing my hair.

BALD SPOT
Yeah you are. Every time you shower, I
grow a little.

GREG
And tonight?

BALD SPOT
Last straw baby. I've got a face now.
You have a face. I have a face. Oh!
Let's go out. I'll be your wingman.

GREG
We can't. You're not real.

BALD SPOT
Oh I am very real. And fine, you can
be my wingman. I have to make up for
lost time. OoOoOoOoOoO

GREG
Stop singing.

BALD SPOT
My first day with a voice. And you're
already trying to shut me up.

GREG
I can't believe I'm going bald.

BALD SPOT
Not going bald. Growing a friend.

GREG
I thought I had more time.

BALD SPOT
But now We..WE have time.

GREG
WE. Don't have anything.

BALD SPOT
We've been friends for three minutes.
Give it a chance.

GREG

I guess I could just shave my head.

BALD SPOT

No! You can't do that! I, I die if you do that. I need a spot.

GREG

Or a hat. I could wear a hat.

BALD SPOT

(sarcastically)

Yeah. Wear a hat. Nobody will know you're going bald if you always wear a hat.

GREG

Or I could let the sides get a little long and comb over the spot.

BALD SPOT

Ugh. Yuck. My cousin's a combover. He used to be dope. When he was a fade. Now he's a combover. And an arrogant douche. Thinks he's on top. But we all see through him.

GREG

You just don't wanna be covered up.

BALD SPOT

Oh no. If that's the route you choose to go. I will gladly be semi-hidden.

GREG

I just. I hate the size of my head. The shape. Ugh.

BALD SPOT

At least it's just your head. It's my whole body!

GREG

I could try Rogaine.

BALD SPOT

You'd really poison me?

GREG

Huh?

BALD SPOT
Rogaine would melt my face off! And
you still wouldn't have hair!

GREG
Hair plugs are another.

BALD SPOT
What?! Would you sew a face on your
face? Would you?! Greg?!

GREG
So I guess...

Voice smiles and nods.

GREG
I'll just...

Voice smiles bigger and nods faster.

GREG
Do nothing.

BALD SPOT
Haha! Yes! Let's go!

SMASH CUT TO:

As Greg exits the bathroom, smoke billows out.
